Besides all the sports facilities, the two outdoor swimming pools, the aquatic park, the outdoor courts for basketball, volleyball, tennis, soccer, and a beach arena, you may live the summer experience sunbathing on your two reserved deckchairs on the beach at a walking distance (deckchairs and free beach entrance included in the hotel package).

The resort has a direct access to the private beach: you will find 1000 meters of fine and safe sand here. The beach is equipped and beautiful and access is easy for everyone.

At the resort central bar you can meet friends for an ice cream, tasty aperitifs, coffee and much more, while listening to music and sharing your experiences. Plenty of activities, if you wish, or relaxing areas in the pine wood.

Besides participating in the Championship, your staying will include time to enjoy, meet friends, live pleasant moments and build nice memories! Party time on Saturday evening!

DAY EXCURSIONS

What about planning a day excursion to stunning Venice, Burano and Murano islands?

Venice is a city that needs no introduction: romantic, irresistible, where there are no streets but canals, including the Grand Canal, visited every year by countless visitors from all over the world. Piazza San Marco with the imposing and beautiful Ducal Palace, the Rialto bridge, the museums and the numerous churches are just some of the attractions of this truly unique city.

Lignano Sabbiadoro, in fact, is only 69 km from Venice, and can be reached by car, train, bus and even by boat (there are many companies that offer taxi

services by motorboat).
